# DCL-2337

|                         |                                                                        |
|-------------------------|------------------------------------------------------------------------|
| Product Description#    | ChraLamp, Deuterium Lamp, Par                                          |
| ChraLamp Part#          | DCL-2337                                                               |
| Lamp Type               | Deuterium Lamp                                                         |
| Product Type            | Laboratory Consumables and Eq                                          |
| Part Type               | Replacement/ alternative spare p                                       |
| For Use with            | Laboratory Equipment (HPLC, AA                                         |
| Manufacturer            | Chratec                                                                |
| Brand Name              | ChraLamp                                                               |
| Status                  | J - prealigned                                                         |
| Life Time               |                                                                        |
| Tag                     |                                                                        |
| Instrument Manufacturer | Armen Instrument                                                       |
| Instrument Model        | Spot Skid 6L                                                           |
| OEM Part Number         |                                                                        |
| msscientific Part#      | SD 1191-01 J                                                           |
| Heraeus Part#           | 80125095                                                               |
| Sciencix Part#          | -                                                                      |
| Other Model             | Armen Instrument- Spot Prep II 5<br>II 250, Spot Skid 3L, Spot Skid 5L |
| Other OEM Part          |                                                                        |

|                |                                                                                   |
